Re: BN Lease 92358 Platform Area

Dear Tom:

Enclosed is the BN correspondence from December 27 to date. I am still awaiting a reply to my letter of March 11. I would assume from their letters that 92358 is cancelled, but you may wish to have written confirmation.

Tom, I requested through your Vancouver salesman that you mail us the old Quendall photos for copying. This was several months ago, and we haven't seen them yet. Perhaps you could be of assistance in following up. We believe these early shots would be helpful in providing background for our permit application.

Sincerely,

Donald O. Norman

St. Paul, Minnesota 55101

Attn: R. W. Jacobson, Senior Lease Agent

Gentlemen:

Enclosed are agreements 206,267, and 206,268 executed by me for Quendall Terminals and acknowledged by the two principals; also our check for \$40.00 covering rental until February 28, 1977. You will note I have corrected the name of the joint venture to read "Quendall Terminals"; the "Company" designation is incorrect and is being changed on our logo.

I've discussed this with Mr. Jenner and am advised that all former agreements relating to this property have been cancelled and, although these agreements provide for a 30-day cancellation at your option, permanent access agreements can be provided for substantial improvements such as grade separation access which we are contemplating.

Sincerely,

Donald O. Norman

Mr. Donald O. Norman
Quendall Terminals Company
P. O. Box 477
Renton, Washington 98055

April 3, 1972

Dear Mr. Norman:

This letter will supplement mine of March 21, 1972 when I submitted to you for execution proposed Permit No. 206,267 covering the private road crossing at Renton. Although we had received your letter of March 11 at that time, the letter was not attached to our file until after that date which resulted in a delay in acting upon the contents of that letter.

Enclosed in duplicate is retyped Permit No. 206,268 to cover only the 1-inch water pipeline crossing at a point 143¹/₄ feet northeasterly of Mile Post 6, which is the same location as the road crossing.

Will you also please have both copies of this permit executed for your company in the presence of witnesses and return them to this office for completion, together with a check in the amount of \$20.

Very truly yours,

H. D. Shane
